Submission: Objection

Comments: This mast will cause an obstruction to view for vehicles coming out of Shirley Drive onto Uttoxeter road this could result in an accident.

These masts are dangerous for children and this pavement is the direct route for children attending the local school who live at this end of the village also children going to the play park

It will be a major eyesore for the people living opposite and those living behind the mast

There is no guarantee that this mast will improve connectivity unless other masts are shed around the area
