Submission: Objection

Comments: Application number:- DET/2021/0021

Site:- Uttoxeter Road, Alton, Staffordshire

I strongly object to the proposed mast on the pavement near to Shirley Drive in the rural village of Alton. I feel that every endeavour must be made to discourage a permanent man-made construction of this eyesore in our village.

This mast which will be 18 metres high, will tower above the surrounding area and would be a significant intrusion into this conservation village of Alton.

In addition this mast will make it hazardous, due to less visibility of oncoming traffic on the busy Uttoxeter road for pedestrians and vehicles emerging from Shirley Drive.

Contrary to the host of local and National policies, the installation of this mast would be the complete opposite of their aim to improve and protect the environment in this rural village, which includes the conservation of the species of flora and fauna in the surrounding area.
