Subject: Consall Hall. Decision on Discharge of Condition application DOC 2021 0038

Dear Mr Hesketh

CONDITION 19 of SMD 2019 0057

The details of the Noise Limiter submitted with the above application are acceptable. I therefore confirm that the provision of the limiter in accordance with the details will discharge part (i) of the above condition. Parts (ii) and (iii) of the condition are operational requirements not requiring the submission of any further details.

With regard to conditions 21, 23 and 25 of the above permission, I have previously emailed you about these and have requested further information from you to tackle those conditions which will be required and will need to be assessed by the Council before I can confirm a decision on the compliant of those conditions.

With regard to the details pursuant to Conditions 8, 11 and 34 of the above permission, unfortunately I have not received the consultation responses from the Council Tree Officer or from Staffordshire Wildlife Trust so therefore cannot comment on whether those details are acceptable. I will contact you again once the outstanding consultation responses have been received.

Given the above, as I am required to make a decision within the relevant time-frames for Discharge of Condition applications, I issue a decision of PART-DISHARGED for the above DOC application.

Regards
Chris Johnston
Planning Officer
