RE: Application Number SMD/2021/0275

We would like to write in SUPPORT of the planning application referenced above.

We are direct, adjoining, neighbours of Town Head Farm.

The proposed development is low-impact and is sympathetic to the local village heritage.

All previous developments by the family have been attractive and tidy.

The Titterton family have been an asset to the village. Supporting the Village Hall, Pub, Church and hosting many community events (including Fox Village Fun Day).

Regards
