Particulars of Development:

PROPOSED 20.0M PHASE 8 MONOPOLE C/W WRAPROUND CABINET AT BASE AND ASSOCIATED ANCILLARY WORKS.

Location of Development:

ELLASTONE ROAD
CAULDON LOW

Acceptance

Recommendations: There are no objections on Highway grounds to this proposal.

1. Site Visit Carried Out on 17/06/2021
2. Personal Injury Collisions;
Current records show that there were not any Personal Injury Collisions on Ellastone Road and Rue Hill Road within a 215 metres radius of the equipment's location for the previous five years.
3. Background;
The application is for the installation of a 20.0m Phase 8 Monopole C/W wrapround Cabinet at base and associated ancillary works. The site is located on Ellastone Road (Road No.C0003) at its junction with Rue Hill Road (Road No. B5417).
4. Comment;
The installation of the monopole is to be sited within the highway verge as detailed on the submitted drawing titled Master Drawing No. STM16494_M001 Issue A. It is considered not to cause an obstruction to the travelling public.

The proposal does not to have a detrimental impact on the adopted highway I therefore have no objection. (application number DET/2021/0025)

Note to Planning Officer:

Ellastone Road and Rue Hill Road are a main route to Alton Towers from the A0052. During the instillation of the monopole all construction plant and material should be stored off highway and not impair driver's visibility at the junction.

Any damage caused during the instillation works to the highway bollards within the locality should be repaired/replaced to the Highway Authorities approval.
