Dear Sir

We are writing in regards the application for planning permission for the Nab Hill House.

Despite the planning details going to 46 Nab Hill Avenue not our address 46 Kiln Lane, we did get to hear about it. Our house is on the other side of the hedge which is 11 meters from the Nab Hill House.

We look after our grandchildren age 6,8,10 after school and over summer holidays and half term.

Kiln Lane is also main walkway for children going to 3 schools.

It's also the way where all the families with kids go for walks, people do exercising and coming back late at night from night shift. The Nab Hill House is on the entrance directly to Kiln Lane.

I'm worrying about safety of my grandchildren as it's far too close to keep them away from the bouncy of the Nab Hill House and also with the current climate the safety of our home is the only real safe place we got left, in these hard times effected by covid.

Yours faithful

Ann and Mel Trafford
