Comments: I have great concerns about the security of our property which is immediately adjacent to the property in question. Having up to 6 teenage children with behavioural issues is bound to affect us as our garden borders both the access drive and pedestrian access onto Kiln Lane as well as the garden which it states will be used.

I am concerned that there will not be enough staff to supervise these children whilst they are on site and that this will lead to unsociable behaviour in close proximity to our house and garden.

I am also concerned about the increase in vehicles coming to and leaving the property via the drive which is immediately to the rear of our bedroom this will increase noise and pollution. The drive is not very wide and we have already had one vehicle crash through the boundary into our land in the past .
