Planning Division

Dear Sir or Madam,

I have today visited my property namely N°4 Lightoaks Level, Cheddle Road, Oakamoor and discovered a planning notice stuffed between the inner and outer flaps of the letterbox in the front door.

Application No SMD/2021/0332 relating to a single storey side extension to the rear of Beech Cottage namely N°3 Lightoaks Level, Cheddle Road, Oakamoor does this proposed extension infringe on my vehicular access to my garage and parking space at the rear of N°4?

A common driveway passes between Nos 2 & 3 into a field at the rear with side access to the left for properties Nos 1 & 2 and a side access to the right to properties Nos 3 & 4.

In spite of the lodging of the application, I discover that the property No 3 (Beech Cottage) is on the market for £349,950.00

Does application No SMD/2021/0332 still apply and if so I await your reply with further details.

I am not connected to the internet and can be reached on telephone

Yours faithfully
