Submission: Objection

Comments: We are very concerned on the change of use of Nab Hill House. It will create more traffic on an overly busy road causing congestion, which in turn will create an environmental health issue, exhaust fumes, noise etc., There are too many cars on the roads in Leek as it is and now you want to bring more cars into our residential area! and will no doubt be operating 24.7 365 days of the year. This is not the right place to be operating a residential care home business with everything that it entails. We object most strongly to this application.
