I have received a flyer informing me of the live application with SMDC to change the use of Nab Hill House from a house to a residential care home business. I have tried to use the link on the flyer to register my account objection but it is not responding.

I am extremely concerned about this application. We have lived in Nab Hill Avenue for over 30 years and have seen it change from a quite leafy Avenue to a busy, car filled congested road. I truly believe that this development will increase the through traffic and footfall in a detrimental way. We therefore strongly oppose this application.
