Submission: Objection

Comments: I completely agree with the objections from others residents of Hillswood Avenue, Nab Hill and surrounding areas. Our children play out on the streets and we do not need any more traffic. I also want to ensure the safety of my children. I pay a higher rate of council tax to live in a nice, quiet area. I think it speaks volumes when a trained social worker is objecting to the application. I feel very disappointed that residents in our area were not made aware of this application. My awareness of this application is due to an anonymous letter being posted through my door.
