I have viewed online the plans for The Flying Horse Public House and grounds. I received a letter informing me of plans to demolish and build on the site, and I emailed to say I was concerned about the parking for myself and my neighbours, as we park on Pickwood Road, the space will be reduced due to a road being made into the back of the proposed new properties off Pickwood Road. I wonder if anyone ever goes to look at these sites in the evenings when a lot of this road space is used not only by us on Ashbourne Road, who have no drives, but by other locals too.

I believe the consequence of this plan will result in more people parking on pavements and causing problems for other neighbours and the public. Our row of four terraced houses was here before most of the other properties surrounding us, yet we will be the ones who suffer due to the new build if it gets passed, which I imagine it will.
