Date:

Dear Planning,

Thank you for forwarding the plans for the proposed development at Ashcombe Park Cricket Club, Basford Bridge Lane Cheddleton. In relation to the proposed demolition of existing stores and the construction of a proposed garage, bar store and disabled and female changing rooms. The following information provides more detailed comments regarding the opportunities relating to the Staffordshire Moorlands physical activity and sports strategy "Towards an Active Staffordshire Moorlands" 2017.

The proposal of new additional changing rooms would provide an excellent an opportunity to increase the levels of physical activity in the area particularly in two targeted groups , female and disabled and also increase the available capacity for the club.

The project lends itself to further possibilities for the club to provide wider opportunities, which would not only be more attractive to local residents but could also create more interest for use by local schools and community groups. The wider engagement programme supports our own strategic aims offering more multisport use and increasing participation and physical activity.

Regards

Ang
