Dear Sir,

I wish to object to the Planning Application to Erect an Agricultural Building and also the construction of a New Vehicular Access. The reasons given could apply all over the Staffs Moorlands. This field is approx. 14 acres rough grazing, so I dread to think how many buildings could be erected all over the Staffs Moorlands on every 14 acre field. This is also "Green Belt". The present vehicle access is in the safest place it could be, this is a very fast road with a 70 M.P.H. Speed Limit. It would also spoil the view over the Staffs Moorlands from this road.

Yours sincerely,
