Single Story Kitchen Extension  
The Cottage, Martens Hill, SWINSCOE DE6 2BW

Dear Sir/Madam

In support of this application, I would ask that you consider your recent approval of our two storey extension that was granted 26<sup>th</sup> March 2020 your ref SMD/2021/0023

It is our hope that an extension of the Kitchen will provide greater storage space and be in character with the work currently underway with our 2 storey extension

The accommodation within the cottage still remains cramped on the GF and particularly in the kitchen and the extension in this part of the house will make it better suited to our needs now and in future.

The proposed extension will not extend beyond the curtilage that has been agreed in the recent application and will be finished to match and would not harm the character or appearance of the countryside

Our proposed extension will relate well to our existing dwelling and would not harm the character or appearance of this rural area.

I respectfully request that our application be approved,

Yours sincerely

Martin Luis Zambrano
