For the attention of Ben Hurst

Dear Ben

Re: Alton Castle Low Level Activity Challenge Course
Application for approval of details reserved by condition.

Planning permission was granted on 14/04/21 for the low-level activity challenge course at Alton Castle (application no. SMD/2020/0264).

We would now like to discharge the remaining conditions 6 and 7, so that the ropes course can be brought into use.

6. *The development shall not be brought into use until the site investigation and post-fieldwork assessment has been completed in accordance with the written scheme of archaeological investigation approved under condition 4 above, and the provision made for analysis, publication and dissemination of the results and archive deposition has been secured.*
7. *The development shall not be brought into use until activity and obstacle structures and equipment that are abandoned or no longer in use have been removed from other areas of the land ownership.*

.

Let me know if you need anything else.

Yours sincerely

Jessica Kirby
