Church View Farm, Hollington Road, Freehay, Cheadle, Staffordshire, ST10 1RE
Erection of manege and retention of existing stable block.

Dear Ben,

We have identified this application from the weekly list and believe there are ecology issues.

The proposals appear to involve clearing vegetation including trees or scrub and a hedgerow. There are at least 5 ponds within 250 m and great crested newts were recorded on site in 2005, so potentially a licence may be required. There are also badger records in the area nearby.

A Preliminary Ecological Appraisal is required, which should then advise whether any further surveys are needed.

Regards,

Kate Dewey BSc (Hons) MCIEEM
