Submission: Objection

Comments: I am writing to object the planning application from the 2 dormer bungalows to the 3 detached houses as we are the neighbouring property. I feel the 3 detached houses will overpower the site and look like a large block which is not in keeping within the village and building on green belt . Loss off light ,extra traffic, overdevelopment in the area and the redirection of a public footpath to build these would create an alley way up the side of our gardens which is a big concern we have. We recently moved here a couple of years ago and strongly regret not objecting the first planing application. If the 3 detached houses do get built next door I;m sure we will be moving away from the area soon after.
