Submission: Objection

Comments: I am writing to object to the planning permission for the erection of 3 houses, this will massively impact on light and privacy to our home. The footpath will give an alleyway, look fences either side which will not be in keeping with the local area.

The houses will be a mini estate, I am concerned about the multiple car increase in the area if this was granted. There is considerable over development from a semi-rural area and aesthetically these will not be in keeping with the houses around. I would be concerned about the increased traffic this will also bring to an already busy road.
