Submission: Objection

Comments: As a resident of Draw Well Lane off Ash Bank Road, it is difficult enough to access the A52 from the lane as it is a 40 mph, we already have to cope with the 2 bus stops and shops. Without another supermarket, which will be causing obstructions with the traffic on the brow of hill, there will be no where to park for vans or hgv's to unload and for customers to. We already have a supermarket and other shops in the village, we don't need any more.

Children walk past on there way to school, how long is it going to be, before someone is knocked down because of the parking issues and vehicles having to reverse onto the A52, in a 40 mph area and a brow of the hill.
