Application no: SMD/2021/0321

Determined on: 30/07/2021

**Town and Country Planning Act 1990
Town and Country Planning (Development Management Procedure) (England) Order 2015**

REFUSAL OF PLANNING PERMISSION

Location of Development:

Ringe Hay Farm The Dairy Basford Green Road Basford Leek Staffordshire ST13 7ET

Description of Development:

Proposed rear extension

Staffordshire Moorlands District Council in pursuance of powers under the above mentioned Act hereby **REFUSE** to permit the development described above in accordance with plans ref:

21-0007-10-001 P1 existing site and location
21-0007-20-002 revision P2 layout and roof plan
21-0007-20-101 revision P2 proposed elevations

for the reason(s) specified below:-

1. The proposed rear extension and associated covering, removal and loss of historic fabric would be harmful to the historic character and appearance of this rural vernacular building and, as a building which contributes to the character and appearance and evidential understanding of a historic farmstead as identified by the Staffordshire Historic Farmstead Survey (2009) and recorded in the Staffordshire Historic Environment Record, the proposal is found harmful to a non-designated heritage asset as defined by the NPPF. The stated reasons for the development by contrast are not found compelling and do not balance out the harm identified. The scheme is therefore found on balance contrary to policies SS10, H1, DC1 and DC2 of the adopted Staffordshire Moorlands Local Plan 2020 and the NPPF paragraph 203 and contrary to and is not supported by the Council's adopted Supplementary Design Guidance and Design Document.

2. No heritage assessment has been provided with the application contrary to Policy DC2(3) of the adopted Staffordshire Moorlands Local Plan 2020 and the NPPF paragraph 194.
3. In design the proposed extension fails to conserve the character of the existing converted farm building and creates in its place a more obviously domestic residential dwelling which would also take on a more massive and therefore intrusive appearance all at odds with the wider setting of the historic farmstead and surroundings contrary to policies SS10, H1, DC1, DC2 and DC3 of the adopted Staffordshire Moorlands Local Plan 2020 and contrary to the NPPF.

Informatives

1. The submitted red edged site plans encompass a significantly greater area than is included within the approved residential plot at The Dairy. In the event at any stage of an approval being granted it would be important to note in any decision that no authority would be conferred to use the additional land as part of the residential site notwithstanding that it may be in the applicant's ownership.
2. The proposal would not overall improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has nonetheless met the requirement in Paragraphs 38 of the National Planning Policy Framework.

NOTES

1. If you are aggrieved by the decision of your local planning authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under section 78 of the Town and Country Planning Act 1990.
2. If the decision to refuse planning permission is for a householder application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
3. If this is a decision to refuse planning permission for a minor commercial application, and you want to appeal against your local planning authority's decision then you must do so within 12 weeks of the date of this notice.
4. If this is a decision to refuse express consent for the display of an advertisement, if you want to appeal against your local planning authority's decision then you must do so within 8 weeks of the date of receipt of this notice.
5. If you want to appeal against your local planning authority's decision for any other type of development, including listed building consents then you must do so within 6 months of the date of this notice Appeals must be made using a form which you can get from the Secretary of State at Temple Quay House, 2 The Square, Temple Quay, Bristol BS1 6PN (Tel: 0303 444 5000) or online at <https://acp.planninginspectorate.gov.uk>
6. The Secretary of State can allow a longer period for giving notice of an appeal, but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.
7. If either the local planning authority or the Secretary of State refuses permission to develop land or grants it subject to conditions, the owner may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted. In these circumstances, the owner may serve a purchase notice on the Council (District Council, London Borough Council or Common Council of the City of London) in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
