5. Description of the Proposal

Please describe details of the proposed development or works including any change of use.

If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.

This application addresses the site entrance/ exit works onto Barnfield Road, following the implementation of a one-way system on site.

Double Yellow lines are proposed outside the facility, along Barnfield Road, which will reduce the health & safety risks associated with trucks / cars pulling in and out of the site with poor visibility/ sight lines due to vehicles parked along the road.

Site Entrance: A proposed pull-in zone is to be created for HGV vehicles and vans that do not require site access. This zone is to be marked in yellow lines. Note, the existing entrance has been retained.

Site Exit: The proposal includes the demolition of existing modular buildings that currently occupy the site area, to allow for through traffic. The modular buildings may be relocated to the south end of the site, as noted on the attached sketch. A new security lodge is proposed at the exit, and a bell mouthed exit
