Submission: Objection

Comments: Thank you for the opportunity to comment on this Application.

We note that the PROW Forsbrook 6 constitutes part of the proposed site.

Use of the PROW, as a "haul road" would cause us great concerns for the safety of users of the PROW. If planning permission is granted, then suitable measures should be put in place to ensure that walkers' safety is ensured.

This comment is made on behalf of Peak and Northern Footpaths Society, a registered charity which exists to protect and improve public rights of way for use by walkers.

Nothing in this response should be taken to imply the Society's support for the development.
