Objection to planning

App number SMD/2021/0469

Rudbrook Limited Reaney
land east of Sandfields Kingsley Road
Cellarhead

I would like to object to the planning
proposed by the above, the land was
granted two houses and the above bought
it of Mr Benisford as that. They propose
to change footpaths, houses, more cars
access and other issues with the land.

I object for issues of cars, privacy
access and danger issues on a main
road and plans were rejected last
time and I don't see how they could
be granted this time with all these
issues
