Submission: Objection

Comments: I am the owner of 10, Ashwood Grove and I DO NOT support the planning application at 4, Ashwood Grove.

The two storey extension is not in keeping with any other properties on the whole Elmwood Drive estate, least of all our small road of 6 semi detached properties. This extension will ruin the character of our street and set a precedent for the estate to be turned into a building site changing the appearance of the neighbourhood.

The extension would block light from the adjacent neighbours gardens and properties, the back gardens are small, and removing the daylight from them will render the properties dark with no private sun space, which these properties have had since they were built in the early 1960s.
