Submission: Objection

Comments: Brown Edge Parish Council considered the Planning Application of St Anne's Cottage at a meeting of the Council on 4th August 2021. The Council have "No objection to the extension to the rear of the property as long as it is built of the same stone in keeping with the current style of the property to reflect the central village of Brown Edge. The Council do Object to the removal of the front wall and parking space being made at the front. The wall is built of the same brick as St Anne's Church itself and to remove the wall would expose a parking space and ruin the aesthetic view of the property and a historic part of the Village Centre. with the wall removed an open parking space would be a hazard in this area due to the busy school time and the general main thoroughfare of traffic through the centre of the village.

Yours sincerely

Denise Wheat

Clerk on behalf of Brown Edge Parish Council
