Categories:

Good Afternoon

Re: SMD/2021/0374 JS Farming, Land East of Leek Road, Wetley Rocks.

Proposed Development: Erection of agricultural building for use for lambing, storage of feed, hay and implements and construction of new vehicular access.

Conclusion

It was the consensus view of CPC that this would be an inappropriate development in the green belt. The safety aspect of the entrance/exit access was also questioned.

Kind regards

Carmen Giuliano-Worthington
