Issue: Planned development 4 Ashwood Grove reference SMD/2021/0468

Author: Julie Willott

To whom it may concern

I am writing with concerns to the planned development of 4 Ashwood Grove which would include a rear extension compiling of two storeys. My issues are that the increased capacity of 4 Ashwood Grove would diminish the sunlight to my small rear garden. By the middle of the afternoon the extension planned would shade my garden especially in later months when the sun is lower in the sky. Eunice Willott is house bound after contracting Covid in February 2020 which has led on to more pressing medical conditions. Her only pleasure is looking out at her late husband's garden and the birds that come to feed in her garden. On sunny days she may take the opportunity to sit outside in the garden and enjoy the weather and nature and in our views, we believe this development would have a harsh impact on her quality of life in respect to the reduced sunlight in the afternoon. This development would also have a big impact to our neighbour at 2 Ashwood Grove and a proposed extension seems to be out of character for the row of houses in Ashwood Grove, all these houses have small rear gardens and no other residents have ever planned an extension due to this reason.

I hope you can take the time and appreciate the matters raised at your next planning meeting and lodge my objection to the proposed development.

Yours sincerely

Julie Willott
