Submission: Objection

Comments: Dear Sir

Having lived for the past thirty seven years at Houghwood Cottage Farm which is the property adjacent to this proposed development we strongly object to any building on this agricultural land.

This field consists in total of over 11 acres and is undisputed farm land and has been so for over 200 years.

The land in question was mown and baled just two weeks before the planning application was submitted.

The ecological report which has been submitted to yourselves is very questionable, having lived here for so long we know there to be numerous endangered species of wildlife present.

Having read the other letters of objection by neighbouring property owners, we feel that every one makes extremely valid points which we heartily agree with, to repeat everything again would be time wasting for you.

Our family home would overlook the proposed dwelling and privacy would be non-existent for either households.

We certainly hope that you refuse any development permission.

Yours sincerely

Keith & Pauline Shaw.
