Submission: Objection

Comments: We would like to object to the proposed planning application for the land adjacent to Houghwood Cottage Farm. The land which consists of approx 11 acres has been farmed for the past 200 years until very recently, when the sheep were removed due to the new owner. The agricultural land was also cut and bailed by a local farmer 2 weeks prior to the planning application. As stated by the other objections the land is liable to flooding in the road and neighbouring property. The field is full of habitats for the local wildlife including mammals, birds, fish, reptiles, amphibians and insects. The road is also extremely narrow in this section. The proposed property will be over looked by Houghwood Cottage Farm as our house faces onto this field.

Yours sincerely

Simon and Louise Stockton
