

1 Proposed Principal SW Elevation
1 : 50

2 Proposed Side NW Elevation
1 : 50

3 Proposed Rear NE Elevation
1 : 50

4 Proposed SE Elevation
1 : 50

All heights, sizes and dimensions should be checked on site by the contractor before any work is put in hand.

Figured dimensions should be taken in preference to scaling and any errors or omissions reported to the architect at once

This drawing has been prepared in accordance with the CDM (Construction Design and Management) and all foreseeable design risks to those involved or affected by construction have been avoided wherever possible
