Submission: Objection

Comments: Please refer to my objections in my email dated 16.08.21 sent to planning@staffs Moorlands.gov.uk

Please explain why the previous planning application (SMD2016/0811) for this proposed development states 'no objections' when clearly there were a number objections.

Please explain why the rest of the Clarendon Park estate residents have not been consulted when the proposed development clearly impacts on them.

Please explain why the proposal to move the existing boundary line to the proposed development is not being concluded prior to this proposed planning application. Clearly moving the boundary line has an impact on this consultation and planning process.
