Dear Sir,

Re: Application No. SMD/2021/0479.

Applicant's Name Mr R. Dawson.

Location land off Stanley Road.
Stockton Brook

We wish to object to the above Application by Mr R. Dawson.
If this proposal is passed it could set a precedent for
further new development on Green Belt land in our area.

We also know this land is the last piece of Green
Belt before the City of Stoke-on-Trent boundary and
is an asset, which needs preserving, plus the fact
that it is of significant historical interest in that clay
was carried down to the Brick works on Stanley Road
by the railway line
