Subject: SMD/2021/0491 Land Off Tenford Lane - report

Dear Chris,

The original Ecology report (RT-MME-120461-01 - September 2015 – Middlemarch Environmental) found mammal holes along the northern boundary of the site and recommended a survey.

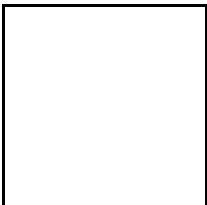

Section 1.4 of the latest ecology report by Apex Ecology (July 2021) states:
'Survey for (this is to be provided as a separate confidential report). See Apex Ecology report Reference NW/210715'

We have not been sent this report and it's not on the online portal so could you please check it's been submitted and forward to us please?

Many thanks,

Kate Dewey BSc (Hons) MCIEEM

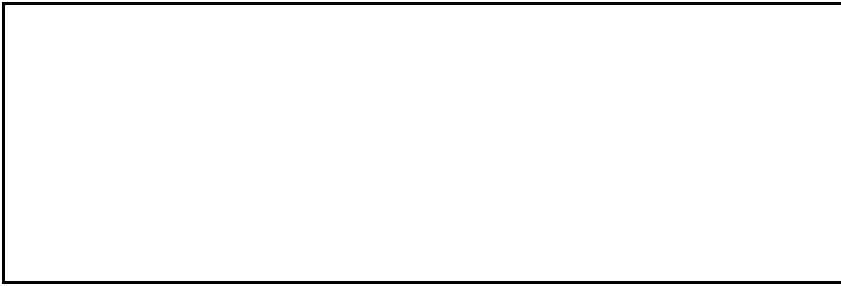

Senior Planning Officer

The Wolseley Centre grounds are open daily- if you are planning to visit please read about the centre changes [here](#)

Planning consultations- please send to planning@staffs-wildlife.org.uk
