Submission: Objection

Comments: I would like my comments to be included as an objection to the proposed building extension at 19 Kenley Ave ref number SMD/2021/0504

The proposed extension has a direct impact on my day to day working life. My office is directly adjacent to the proposed extension where my office window is 1.47mts from the garage wall. As it stands the wall has negligible impact but the proposed extension would mean that the wall would be 1811mm high plus a pitched roof that would result in a significant loss of natural light needed by myself to work effectively. Mr Plant is aware that the window directly opposite his proposed extension is used by myself to work from home.
