Comments: 57 apartments only 31 parking spaces. Double yellow lines down duck street reducing parking for residents, Access to Compton mill from duke street causing more traffic movements in small side streets, St Mary's church listed building will be impacted by such a large structure, already have parking issues on sundays, funerals and weddings with overspill from two church's with little parking, Accidents have happened in duke street including ending up on its roof on the 9th of May 2021. 4 story mill will cast a shadow over all residents houses and cause immense parking issues and increased traffic movements.
