Comments: I wish to object to this planning application because:

1. There is already adequate housing stock in this area with a regular supply of property for sale.
2. The traffic on Clewlow's Bank is, mornings and evenings especially, extremely busy, with many motorists failing to adhere to speed limits. Vehicles would have to exit the proposed properties onto an extremely fast and busy road with traffic coming towards them over the brow of a hill, after having just negotiated a rather bad bend in the road.
3. The land is home to several species of wildlife which would lose their habitat at a time when such habitats are shrinking rapidly. We cannot continue to ignore the warnings of ecological disaster. Each time we take away such a wildlife site, however small, we are causing more and more harm. We cannot continue to pay lip service to the noble idea of saving the planet without actually being prepared to stop unnecessary over-development and the continual stripping away of valuable green sites.
