Proposed development.

My husband Brian Smith (85) and I, Isabel Smith (74) have lived at Ballfields Farm, opposite RSPB Coombes Valley Nature Reserve and Six Oaks Farm Apesford Lane Bradnop since 1977. When we moved here 44 years ago it was a quiet, rural, tranquil area.

In 2011 we converted our Barn into a holiday cottage for a maximum of 4 guests and for the past 10 years we have had many who stay for the peace and tranquility. We have had comments since the Forest School opened that it is noisy, indeed it is. From the moment parents drop their children off around 8am there is noise, fast entrance and exit of cars from thoughtless parents, car doors slamming and children shouting and screaming. From opening time till closing time there is constant noise of children. Peace and quiet is gone. I object strongly to the proposed addition of 15 children. This is a Nature Reserve in a rural area of outstanding natural beauty.
