Submission: Neither

Comments: Regarding the above planning application , whilst in principle this would be a good use of the property, I consider that the car parking of residents cars has not been satisfactorily addressed , as the bus stop layby is constantly occupied and also the surrounding grass verges and the turning point at the top of Lid Lane . Also cars park just below the yellow lines on Lid Lane , which means that to leave Lid lane one has to overtake on the wrong side of the road , and if another vehicle turns in ( because there are shrubs obscuring the view down the road) there is potential for a collision . Parking in lid lane would close it , especially to fire engines etc. Parking outside the property on the main road will cause considerable congestion to traffic passing through . To say that residents will not have cars is rather short sighted and optimistic , as some invariably will have cars , vans etc.
