Comments: Contact has been made with the Councillors of Bradnop Parish re the above application .

Whilst it is highly beneficial for all children to enjoy outdoor education/ play in the countryside environment , we need to make sure that this proposed does not have a detrimental impact on the quality of life of the residents of our Parish who live within the immediate vicinity to this existing business .

As we all know this is an area of outstanding beauty , especially renowned for its nature reserve an area with peace and tranquillity , one that we should preserve not destroy .

Issues have been raised about increase in noise levels and the increase in the volume of traffic along Apesford Road . The Nursery , as we know are asking for another 10 places to be added to existing numbers , it is worrying that these increases will add to the above levels .

We wish for our points raised to be taken into consideration . .
