

Planning Dept regards to  
The Swan Pub.

my objection is that it  
will cause more traffic to  
be parked on the road.

There are too many cars  
that park as it is, and  
make it unsafe for us to  
come out of our drive.

We have enough houses  
in the town as it is, and  
no amenities in the town  
the traffic up town-end is  
unsafe to cross and park.

I have lived in Cheddle  
all my life 66yrs and remember  
what we used to have. Now  
we have nothing in the  
town only HOUSES!

Yours
