Submission: Neither

Comments: My main areas of concern relate to increased traffic in terms of road safety.

Also congestion on A50 roundabout as well as the rat runs of Cheadle Road and Breach Lane could only be much worse.

I would suggest improvement to the roundabout and increased signage and speed restrictions throughout the parish.

It needs to be noted that whilst most of the development falls within Forsbrook parish, the effects on traffic would be most felt in Draycott and thus should be addressed in the 106 arrangements to tge development.
