Comments: My daughter attends the Flying High Nursery and I can say thank you to the team and facilities there she has learnt a huge amount regarding nature and respect for the environment alongside other skills. We have been pleased with all the safe guarding and supervision from the team.

It is a unique setting within the local area that provides excellent provision for children. I find that there is minimal traffic at pick up and drop off due to children arriving at different times, parking is also no issue at the site and is a safe environment, helped by the nature reserve operating different hours. The team have taught the children a huge respect for the wildlife and environment in which they operate in.
