Comments: We are local and our daughter attends the forest school above and absolutely loves the atmosphere created by the team here . It is a great unique provision in the area and has taught the children great respect for our countryside and wildlife. In my experience children are not dropped off all at once, parents arrive/ leave over a period for both morning and afternoon sessions. We are all made aware to respect the environment we are in therefore I believe there is minimal impact on the surrounding roads which whilst narrow does have ample passing places and good provision of onsite parking. I would be very happy to support this application.
