Comments: To whom it may concern, I would just like to say that I find it ridiculous that the owner of number 2 glebeville wishes to build a bungulow at the bottom of the garden firstly it will block my view from my garden. Secondly Junction road is terrible for parking resulting in others using glebeville as a parking lot. Thirdly the disruption the building would have to an aready busy road. Pulling out of Glebeville is already quite dangerous due to people parking close to the corner of the street, this will be 10 times worse with Vans etc being parked there.
