Hi Jane,

Apologies for delay in responding - thanks for the reminder!

Condition 9 of SMD/2015/0435: Minor Works Application for the construction of the bellmouth has been received and is under consideration.

Section 7 application for technical approval the internal roads layout, which it seems may be proposed to remain private, has been received and are under consideration.

The drawings show priority for vehicles entering the site (to avoid potential queueing back to Uttoxeter Road as raised by objectors) in accordance with the condition.

As applications have been submitted and the drawings are currently under consideration by our partners, AMEY, the basic principle is acceptable to recommend discharge of the condition, but this is subject to detailed technical approval which may require alteration to the drawings.

I trust this is of use,

Regards,

Dave
