To Whom it May Concern,

Planning Application for a Residential Development at Fole Dairy, Uttoxeter Road, Fole, SMD/2021/0550

In response to the above planning application the School Organisation Team has the following comments:

This development falls within the catchments of Hutchinson Memorial CE (A) First School, Windsor Park CE Middle School; and Thomas Alleyne's High School.

The relevant Outline Application for this site is SMD/2018/0234.

The REM application details a development which is now scheduled to provide 48 dwellings. The original outline application was for 56 dwellings.

Although an education contribution towards middle school places was sought for the original outline application SMD/2018/0234 for £96,789 we understand that there were viability issues with this site and therefore no contributions for education were secured. Therefore we have no further comments to make.
