Submission: Objection

Comments: Caverswall Parish Council wish to OBJECT to this application on the following grounds:-

- overdevelopment on the site

- out of character of neighbouring properties (all bungalows)

- contrary to that stated in the applicants Design & Access Statement the existing property is

visible from the road and therefore the proposed replacement property will also be visible from

the road - in fact it will probably be more visible as it is higher than the existing property.

- there are overlooking issues with neighbouring property
