Comments: I am concerned as being the owners of Sprink View, 9 Under, Biddulph Moor, that we have not had notification of the above and that we learned second hand re Phillips and Locke, Surveyors that there was an application going on at all. The property was originally a chapel, possible the first one on Biddulph Moor and was converted into the 3 cottages I am obviously concerned that this proposed extension does not impinge and cause damage to our property (Sprink View which is the middle cottage) in the row due to the works being undertaken and obviously perhaps not be in keeping with the rest of the row of cottages. I hope that my comments will be considered in this light, it would have been nice if someone had informed us of the plans!
