Submission: Objection

Comments: I wish to STRONGLY object to the planning submitted.

Reasons are as follows:

- NOISE late at night! This is a RESIDENTIAL area. Only extending hours would create more noise from people gathering/loitering; vehicle car doors banging as people get in and out.

- SMELL - even though it was highlighted that the premises had a good extraction system, it still creates an awful smell, so much so I cannot even hang out my washing on a dry day! Opening 7 days a week, would only add to this, making it worse than it already is! I cannot even open the windows in my home as this then causes my house to smell of burnt fish oil!

- PARKING - When there are busy times at the takeaway, this causes no end of problems for the residents in the surrounding area, due to people who don't think where or how they park. Considering there are double yellow lines around the surrounding area, this does not stop people parking dangerously.

- INTRUSIVE SIGNAGE - it is bad enough that we have to face this illuminated sign for the amount of hours the premises are open already (especially during the dark evenings). Extending hours will only increase to this.

The original planning stipulated Sunday and Bank holiday as closed days. Why does this need to change? The business goes quiet after 8 pm, why is there a need to extend their opening hours?

This is a residential area after all, surely we should be allowed some consideration too?
